Reference: Section 4, B-Law 3 Whereas, the EOSSAA Board of Directors has encountered EOSSAA championships run by convenors who are not teachers or school staff members And whereas, it is imperative to have a convenor or co-convenor that is currently teaching or working at an EOSSAA school to serve as the main contact for the Championship Be it Resolved That, members of the College of Teachers and/or a school staff member from the convening school must be a co-convenor and main contact for an EOSSAA Championship.
