10. SCORING

In the case that only **one** run of slalom and one run of giant slalom are possible, each run shall be classified as an event (ie. scored as separate races)

- (a) Pull skiers racing as individuals before ranking of teams.
- (b) The competitor with the fastest total time in each event shall receive 1-point; the 2nd fastest time, 2 points; 3rd, 3 points; etc. In case of ties, the competitors will be scored the same and appropriate places left out. The team with the lowest score is declared the winner.
- (c) Team scores in each of the Girls' Level I, Boys' Level I, Girls' Level II and Boys' Level II shall be calculated by adding the best three individual scores for that team in Slalom and again in the Giant Slalom races. In the case of a tie for first place, the lowest total of individual times of the three racers will be used. If a tie still exists, the place of the tied teams' 4th place finisher shall be used. There are no Combined Girls' and Boys' Teams.

(d) Disqualifications:

- (i) disqualifications in the first run -will not receive a second run (a provisional run may be given only by the Jury of Appeal); (This only holds true if there are two runs of slalom and two runs of Giant Slalom)
- (ii) DNF (Did Not Finish) and those who missed gates shall receive a score which is twice the number of disqualifications or 50% of the total field, whichever is greater, added to the last proper score in that event. ALSO; each school is required to bring adequate personnel to assist in running the event. Adults are needed for; Starting, Finish Judge, Statistics, Gate Supervision, youth assistance is needed as gatekeepers. (At any one time each school needs to supply 4 gatekeepers –this may be on rotation, but supervised!)

14. MEETING: There will be coaches' meeting one hour prior to the published time of the first race.

15. GATEKEEPING: The validity of the meeting depends upon this task being efficiently carried out. Non-racing students are very anxious to ski, and this hinders prompt starting. Ski coaches are asked to ensure that ALL students attending to carry out this task are present at a meeting 45 minutes prior to the first race. Each association will be allocated specific gates and conducted to the precise location.

16. JURY: A jury of three shall be nominated prior to competition. This shall consist of three staff members from different schools in different associations.
